

## Job Opportunity - Internal Quality Engineer

**We have an opportunity in our Quality team for an Internal Quality Engineer. This is an exciting opportunity to work in a company that holds a prestigious, global brand.**

GESIPA® UK based in Keighley, West Yorkshire is a manufacturing company producing a wide range of fasteners supplying different customers, many of which are in the automotive sector.

This is a very important and varied role where you will support the internal functions of the business to achieve a high standard of manufactured product.

Working hours 37 per week (Monday - Friday). The role is office based with occasional travel.

### Your main tasks & responsibilities:

- Develop a good understanding of the product and manufacturing techniques.
- Support manufacturing procedures.
- Internal audit of processes and procedures.
- Implement 5S and audit its success.
- Inspection of received goods and final product inspection.
- Maintain quality documentation.
- Work closely with the rest of the quality and engineering team.
- Develop standards for inspection techniques.
- Involvement of continuous improvement activities.
- Calibration and control of measuring equipment.
- Liaison with suppliers in relation to process and quality.
- Daily liaison with production regarding quality.
- Any other duties deemed necessary to support the business function within the job holder's capacity.

### To succeed in this role, you will need:

- Previous experience working as an internal auditor.
- Have an understanding of IATF 16949 & ISO 9001 systems.
- Hands on attitude.
- Able to adapt to working in an office and alongside our production colleagues.
- Knowledge of quality tools such as 8D, PPAP, FMEA etc.
- Able to interpret engineering drawings.
- Good problem solving skills.
- Good communication skills, verbal and written.
- Agile mindset and flexibility.
- Excellent time keeping and organisational skills.
- Good all round IT skills.

What you will get in return:

- Competitive salary
- 26 days annual leave per year plus statutory bank holidays
- Participation in the SFS Group profit-sharing scheme
- Enrolment into the SFS Health Cash Plan scheme
- Training and development opportunities
- Long service awards
- Company pension scheme

**Full training and support will be given by the quality team. Applicants are welcome to express their interest by emailing their CV to Anniina Kuhna at [anniina.kuhna@sfs.com](mailto:anniina.kuhna@sfs.com)**
